Colour customization is possible to suit the requirement of your project. Contact our team for new colour shades.

Color Disclaimer: The information provided on this Color/Design chart is for general information purposes and use only. However, the customer is responsible for ensuring the product they purchase is suitable for their specific requirements. For personalized service and recommendations, please contact us. Despite every effort to provide accurate colors, actual colors and design may vary slightly, due to printing, paper quality, different device screen settings, the lighting in the installation location, slight differences in product finishes over time and other factors. GAC will not accept responsibility for any color or design differences that are not factory faults. In purchasing from GulfArabCrete, you agree to accept the small risk that there will be a slight variation between the actual color and design, and the representation on our color chart & website. In addition, please be aware that colors and textured finishes often vary between applicators; for example, slightly different shades of 'White', different degrees of shininess, and different looks and feel for 'grey' material.
